

## Introduction

Acorn Health and Safety are an independent provider of health and safety training and consultancy services providing training to circa 18,000 course delegates annually and supporting over 120 SME's. We are an established business in our 21<sup>st</sup> year with some great customers and are looking for a new member of staff to join us on a full time basis.

We offer a wide variety of open courses on a regular basis and, provide a variety of in-house courses on customers premises. In addition, we offer a wide variety of e-learning and live streamed training.

Our client base is broad and varied, so not two days will likely be the same, we work extensively in education, health and social care, SME's, the NHS and for a number of Local Authorities.

If you are passionate about teaching and training, occupationally competent and enjoy a challenge, we'd very much like to hear from you

## As a member of staff, you will receive:

- A competitive salary
- Travelling expenses
- All course equipment, laptop, and data projector
- Company uniform shirts / jacket and name badge
- On-going training and development opportunities
- Company pension
- Private healthcare after a qualifying period
- 25 days holiday per annum

## You will be responsible for:

- The delivery of both accredited and non-accredited health and safety training programmes to a broad and varied audience
- Travelling to venues across the Southwest, typically within a fifty mile radius of Bristol with travel further afield including occasional overnight stays
- Assisting with the design of new and the revision of existing courses including lesson plans, course programmes, presentations and other course materials as required and to meet the needs of both customers and the business
- Ensuring the health and safety of themselves and others whilst at work and follow company policies and procedures at all times
